## "Tail Gate News"

### the "PRESIDENTS CORNER"

The NCCC "Airport Day 2007" is less than six weeks away. This is 5<sup>th</sup> year that we have organized this event and this year's show is shaping up to be even bigger and better than in the past. This is also a great opportunity for the NCCC to gain visibility and support from the public and Paso Robles City administrators.

This event takes a

tremendous amount of planning and work prior to air show day. This is usually handled by several club members that form the Air Show committee. With most of pre-show work behind us, we now need the rest of the NCCC members to step up and support this event. We are asking that all our members bring their airplanes and helicopters to the show

for display. The more aircraft on display the better. We also need more volunteers, trust me, we have jobs for everyone, even if you can only be at the show for part of the day we can use your help.

As in the past you will be receiving some raffle tickets to sell. Last year from our club members alone we sold 990 tickets, which was an outstanding job. (cont')

### "Presidents Corner" continued

Let's see if we can't top that number for this year. Since it is a "Date Night" package at the River Oaks Hot Springs & Spa, I think your wife's and girl friends would agree with me!!!!

We will also be having a pre-show Media Day. This will be held at the airport terminal on Thursday, September 6<sup>th</sup> from 9am till 12 noon. We need members to display aircraft on that

day also, you might even get to be on TV.

If you would like to help set-up on the day of the show, work at the club raffle and information booth, display an aircraft or 2 or 3 or just come out and be a part of the NCCC "Airport Day 2007" please let us know by calling either;

**“Do You Just Belong?”**

Consider the thought:

Are you an active member, The kind that would be missed, Or are you just contented, That your name is on the list?

Do you attend the meetings, And mingle with the flock, Or do you stay home, And criticize and knock?

Do you take an active part, To help the work along? Or are you satisfied to be The kind that just belongs?

Do you ever work on committees, To see there is no trick? Or leave the work to just a few, And talk about the clique?

So come to meetings often, And help with hand and heart, Don't just be a member, But take an active part.

Think it over, friend, You know right from wrong, Are you an active member, Or do you just belong?
